THORNDALE STRUCK BY TORNADO

UTILITY TYCOON TO CARRY G O P BANNER

Wendell Willlkie of Indiana, utilities magnet, was nominated for President by the Republican party in convention in Philladelphia shortly after 1 a. m. Friday.

The nomination came on the sixth ballot.

The Daily Herald learned shortly afternoon Friday that Senator McNary, will be the nominee for vice president.

Both candidates on the Republican ticket will be from the West and the Midwest.

Senator Taft of Ohio lost the nomination to Willkie in the most spectacular proceeding in the history of the Republican party.

With the United States government engaged in a fifteen billion dollar defense program and the war in Europe, the position of Mr. Willkie was a matter of world interest. He was charged by opponents before his nomination as a candidate favoring war.

The Republican party will declare for peace but favor assistance to all people fighting for liberty and freedom everywhere in the world.

$421,000,000 Paid by Trucks in 1939 Taxes Research Facts Show

Commercial Trucks in 1939 paid $421,000,000 in taxes.

This is an all time high and at the same time registrations reached a record peak of 4,460,000 vehicles.

This revelation is important at this time because the people are electing their representatives.

The commercial vehicle is getting recognition from new sources this year and the fulfillment of a long predicted status for the truck seems at hand.

The Automotive industry is too big a factor in American life to be treated as lightly as its experience has been in the past at the hands of legislators.

From the Steering Wheel, a publication sent to The Herald by A. N. Weems we find some interesting facts in addition to the above. The trucking industry affords a prolific source of employment. Science research associates say each year there are 100,000 new jobs for truck drivers.

In 1939 twelve American states liberalized their laws governing the sizes and weights of motor trucks. In 1937 the total taxes paid was $417,000,000 and had jumped four million dollars by 1939.

Candidates for the legislature should declare themselves on this question of vital concern to the rural and urban sections of the country.

John Strum Former Milam Resident Held In San Antonio Attack

John Sturm, former resident of Milam county, is being held for an attack on Dr. Johnson, superintendent of the State Hospital at San Antonio.

Dr. Johnson recently figured in a sensational ouster trial that resulted in his victory.

Sturm, according to police, was dismissed from the service of the hospital. His car parked near the superintendent's office was found to contain all his belongings and a winchester. He said he went to the office of Dr. Johnson to resign and when he was told he had been fired he beat the superintendent.

RESIGNS AS COUNTY HEALTH NURSE

The resignation of Miss Louise Lentz as County Health Nurse has been received by the Commissioners' Court to be effective on August 15. Miss Lentz has worked diligently for one and half years and accomplished her aims.

Guests in the home of Mr. and Mrs. Robert Todd this week end were Mesdames T. P. Clements and G. S. Davitte of Rockmart, Ga. Roy DuPree of Dallas was also a guest. All are first cousins of Mr. Todd.

MILAM COUNTY GIVES $2100 TO RED CROSS

The total contributions to the Red Cross war relief fund in Milam county is $2100 thus far, it was reported by Urvin Rundle, field representative.

Milam county's original quota was doubled to $2480.

Regardless of the illness of the County Chairman, J. P. Love whose work is greatly needed, the rest of the committee are to be commended on their successful work. Mr. Rundle said, "The contributions in this county have been as good as any place in the country, and I appeal for more volunteers to help the committee reach the required amount for Milam county."

The American Red Cross will be operating in England if and when the war hits there and will continue in France if they can get the proper understanding with the German government. The need for relief will be even greater than before.

CAMERON SCHOOLS GET TWO NEW TEACHERS

Miss Irene Hollis of Waxahachie and Miss Marjorie Warren of Waco were elected to teach in the Cameron schools for the coming school term.

Miss Hollis has taught for the past five years in the Waxahachie high school and will teach Home Economics in the Yoe High School to fill the vacancy left by the marriage of Miss Bess Lichte of Bryan to Joseph Edgar Vincent of that city.

Miss Warren will teach the first grade in the Ada Henderson School and will take the place of Miss Irma Porter who recently married Clark Kelly of this city. Miss Warren is a graduate of Baylor University and Miss Hollis is now attending summer school at the University of Iowa.

Cameron Gets 3.75 Inches of Rain Since Friday; River Is Out

Cameron received a rainfall of 3.75 inches since Friday night bringing to a new high the precipitation for June insuring the largest corn and feed production within recent years.

Little River, continuing to rise, had reached a daugerous stage shortly afternoon Monday.

Traffic has been cut off since early Sunday. Water was substantially four feet over the roadway across the bottoms.

Dr. W. R. Newton, out of the city for the day, returning to see about patients, was the last to cross. The water swept his big Buick coupe off the roadway at one point but he manged to right it.

The water was over the hood of his machine at one point and all along obscured his lights. It was a hazardous crossing. People standing on the west bank of the valley cheered the doctor as he came up out of the stream, safe except for a wet car and a hair raising experience.

Czech Play Club Gives $30 to Red Cross Relief Fund

The Czech Play Club recently formed today made an additional $20 contribution to the War Relief Fund of the American Red Cross bringing the total to $30.

Joe Slavik, Sr., President of the Club, brought the check for $20 to the office of the Daily Herald.

Previously the Club had made a $10 contribution through a report from the Marek Church.

Funds given by the Czech Club were raised by a play recently given. This is one of the largest contributions made by any organization since the campaign opened.

The Czech citizens have been greatly beneficial in their spirit of cooperation with the Red Cross and the help is greatly appreciated.

Mrs. J. C. Jones of Houston, has been visiting here for a few days, coming up on business. Mrs. Jones formerly was Miss Mota Cass, and was reared here.

E. H Coffield Gets Placque for 24 Years With Gulf

Recognition of almost a quarter century of service with the Gulf Refining Company, came Monday to E. H. Coffield of Cameron who received a placque in testimony of his service.

Mr. Coffeild is the oldest Gulf agent in north Texas and with the placque came a letter from the officials of the Corporation congratulating him and expressing appreciation for his services as a valued member of the great Gulf organization.

Mr. Coffield is now completing his 24th year with the Gulf Company. He operates from his headquarters in Cameron and annually brings to the Gulf a large volume of sales of Gulf Products.

Mr. Coffield, a native Milam county citizen, was born in Rockdale. He has been prominently a part of the business life of the county for years and this placque is a much deserved recognition for his work.

Negro Loitering Near Vaughn Home is Placed in Jail

Son Dodson, a 20 year old negro, was taken to jail around 11 p. m Monday after he had been captured by Tom Vaughn, Jr., at the Vaughn residence in north Cameron.

According to City Marshal Gene Smith, the negro was caught as he peered through a window of the Vaughn home.

The negro was seen by Mr. Vaughn a few minutes before his arrest as he stopped near the house. He went north about one block and circled back to the Vaughn home. In the meanwhile Mr. Vaughn got his gun and waited. He marched the negro down to the home of City Marshal Smith who placed him in jail.

Whether the negro had any connection with recent robberies could not be ascertained.

Two Inches of Rain Fall in Cameron; River Rising

Rainfall amounting to two inches was reporetd to the Daily Herald shortly afternoon Saturday.

Little River was rising rapidly.

Reports reaching Cameron early Saturday that the San Gabriel River was at overflow stage due to excessive rains in its water shed could not be confirmed. However, it was believed that waters falling Friday night on the Gabriel had greatly augmented the flow in the channel of Little River and indications were that Little River might reach flood stage at Cameron Saturday night or early Sunday.

Rain which began falling early Friday night continued slowly throughout the night up to the time of going to press.

REV. V. M. CLOYD TO TAKE POST AT WACO

Rev. V. M. Cloyd, pastor of the First Baptist Church, will preach his farewell sermon Sunday. He and Mrs. Cloyd will leave Monday for Waco where he has accepted the pastorate of the Highland Baptist Church.

Rev. Cloyd came to Cameron 14 months ago.

Considerable work has been done on the church property since he came, and he leaves the new educational building about completed.

MASONS INSTALL OFFICERS

The following were installed as officers of the Masonic Lodge on Thursday night for the ensuing year: Lee R. Clore, W. M.; Calvin Markham, S. W.; Coleman Brashear, J. W.; Dr. T. L. Denson, S. D.; C. R. Daniel, J. D.; J. L. Calloway, Jr., Sr. S.; Jimmie Marek, Jr. S.

Sam Winfield who has been visiting his uncle, Sol Sider, in Lufkin for over three weeks, has returned home. He was met in Fort Worth by his parents, Mr. and Mrs. Bennie Winfield and returned with them.

U. S. TELLS JAPS NO CONQUEST IN EAST

General Italo Balboa, one of the big four of Fascist History in Italy, lost his life in Libya, North Africa in an aerial combat with British aviators, it was reported today in a noon dispatch.

Other sources said that General Balboa had lost his life in Libya but did not state how he had been killed.

According to information received by the Daily Herald General Balboa lost his life when his plane was shot down by British pursuit ships. The brief dispatch said the Italian leader was shot down in a dog fight.

General Balboa during the recent Chicago Fair flew a number of Italian planes from Rome to the United States. He was one of the Italian leaders who marched with Mussolini upon Rome to begin the bloodless revolution that gave Italy a Fascist government.

Adolf Hitler's blitzkreig against the British Isles was said in informed quarters in Europe to be set for Monday.

It was believed the Germans would soon begin their offensive against England despite the devlopments in the Balkans.

Peace rumors continued to float around European capitals and to eminate from Washington and Wall Street.

While the press and news commentators were working over time to make something out of the Russian invasion of Rumania no one with any intelligence believed that Germany and Italy are in any way concerend over this development.

Turkey was mobilizing her war strength and it would not be surprising to learn that the Ottoman empire had joined the Axis powers for a division of Europe and the near East.

Hitler, Stalin and Mussolini are believed to have arranged in advance step by step every development that has seen the increase of totalitarian power and the subjugation of the countries of Europe.

Rumania will be reduced to the status of her former area before the World War.

In Washington the government replying to a statement from Tokyo came the report that America will tolerate no changes in the status quo of the Eastern countries except by peaceful methods. This was taken to indicate that the United States will resist Japan if that country attempts to seize territory in the Far East.

Russian troops had advanced beyond the limit of territory agreed upon by the Soviet and Rumania.

R. L. BATTE ELECTED PRESIDENT OF PIONEER CLUB IN CENTRAL TEXAS

R. L. Batte was named the new president of the Central Texas Pioneers Club when it met for its ninth annual meeting on Sunday at Temple.

Rain during the morning reduced the attendance, but Pioneers and visitors turned out in crowds for afternoon events staged in the municipal auditorium. More than 200 club members, each with 50 years or more residence in this section attended the event.

In the morning session early times in Central Texas were discussed by President T. T. Moore of Rogers, R. L. Batte of Cameron, John Thompson of Troy, and Mrs. Jeff T. Kemp of Cameron.

LANDS BIG BASS

M. J. Faulkner reported to the Daily Herald Wednesday that he had caught a black bass, weighing 4 pounds and 10 ounces, from the spring lake. Mr. Faulkner was using an Cameron.

Some years ago Charlie Nabours caught an 8 pound bass out on this laake. Mr. Faulkner was using an ordinary line and pole and fishing with a worm when he caught the big bass.

The bass was laid away for a July 4th dinner for Mr. and Mrs. Faulkner.

Mr. and Mrs. C. R. Daniel visited relatives in Franklin Sunday.

NO LOSS OF LIFE REPORTED IN PATH OF BIG TORDADO

Thorndale, July 2.—A tornado crashed through this Central Texas town and nearby communities Tuesday night, leaving devastation in its wake, and only by a miracle, as the residents said, did death fail to sweep into the town.

Other communities in this area also were hit, but whether there were deaths in these places and the extent of damage could not be determined, since they were cut off from the rest of the world because of demolished telephone lines and flooded highways.

Heaviest damage was to the Thorndale school house, the Alcorn gin, a mineral water plant, the R. L. Batte cotton oil mill, the T. J. Taylor gin and seed house and the Lutheran church.

Throughout the town, homes were torn from their foundations, garages and other outhouses demolished and debris strewed the streets.

The town was plunged into darkness as power lines were ripped away and telephone lines were wrecked.

No fear of an epidemic was seen.

Only two or three persons were injured and they not seriously.

The tornado, described by witnesses as a green, funnel shaped affair bouncing along the ground, moved into the town from the north and going to the suothwest.

It entered the town about 6:30 p. m. and lasted for approximately 30 minutes. It was accompanied by torrential rains.

The Missouri Pacific tracks were badly damaged by debris.

The communities of San Gabriel, six miles north of Thorndale, and Detmold, two and one half miles north of Thorndale, also were damaged badly. The San Gabriel creek was flooded.

Cattle were killed in many places crops were cut off at the ground, heavy timbers and steel girders were thrown into the air and then driven into the ground in an upright position.

Among the many Thorndale homes badly damaged were those of:

Bill Finn, whose house was blown from its foundation, 10 feet; barn wrecked, cattle killed and the garage blown away, leaving his automobile undamaged.

Oscar Lescher, whose roof was blown away and who was cut by flying glass.

Rent house of Mrs. W. J. Simmons, which was blown from its foundation.

Earl Locklin home blown from its foundation.

Joe Cornett home blown from its foundation, badly wrecked on the inside.

The path of the storm was about a mile and a half wide.

The entire third story of the Thondale school house was blown off and all the walls on the north side demolished with steel beams scattered around the school yard.

Alongside, a wooden gymnasium was not damaged.

The school houses at San Gabriel and Detmold were reported badly damaged.

Pictures of Storm Toll at Thorndale To Be at Herald

Pictures of Thorndale storm wreckage will be placed on display at the Herald office as soon as they are completed. These pictures were made by Emory Camp and Charles Brady of the B & B Studio.

Mr. Camp and Mr. Brady went to Thorndale early Wednesday morning where they viewed the havoc wrought by tornadic winds that struck the city of Thorndale at 6:30 p. m. Tuesday. Two copies of the pictures will be made and one set will be put on display in the show window of the Herald.

NO MIDGET JULY FOURTH

No Daily published tomorrow.

July 4th Is the Day for Flag; Let Cameron Be Bedecked

The Daily Herald has had many timely suggestions regarding the display of the flag on the Fourth of July.

These suggestions are no doubt dictated by the present international situation, but they go to prove a patriotic sentiment, and even though signs of national stress are needed to remind us that we have a flag it is highly desirable that every available flag and piece of bunting bearing the national colors be displayed on Thursday, July 4th.

The City of Cameron, although an ideal center for large scale celebration on such national holidays as July 4th, has been inclined to slip back into the atmosphere of "ghost towns." It is definitely a reflection on the city that so little effort is given to bring people to Cameron. The least we can do to remind citizens is to display the flag. It takes more than a flag display to make a patriot, but it nevertheless is a good sign.

One discouraged commentator told the Daily Herald that he believed there are children several years old in Cameron who have never seen the flag. If that be true let's give the kids their first lesson in patriotic on July 4th by wide spread display of the national emblem.

Mrs. Howard Whatley and son, Gregg, have been visiting relatives in Marshall. They returned home Sunday.

Mr. and Mrs. H. G. Secrest and daughter, Betty Jean of Rankin are visiting friends in Cameron.

Ernest Thompson to Speak Here Friday At 11 in the Morning

Ernest O. Thompson, candidate for Governor, will speak on the court house lawn in Cameron on Friday, July 5th, at 11 a. m.

Mr. Thompson is the first candidate for governor to schedule an address in Cameron. Local supporters are making every possible arrangement for the address.

Thompson was unsuccessful two years ago but was the runner up against O'Daniel. He received only 1285 votes in Milam county. Bill McCraw who had the support of many of the leaders here got less than 600.

Thompson is figthing O'Daniel as vigorously as did McCraw.

Merchants Petition For Last Night Rally On Court House Lawn

One hundred business men up to noon Wednesday had signed a petition asking the Democratic Executive Committee to hold the last night rally on the Court House lawn instead of the Athletic field.

The petition was circulated by Charles Walzel who reported with two or three exceptions the petition had been eagerly signed.

The business men take the view if the rally is held as usual on the Court House lawn it will be beneficial to them and convenient to the public as well.

The last night rally will be held on July 26th. It has always been the custom to hold the rally on the Court House lawn.

The petition was filed by Mr. Walzel with John B. Henderson of the Executive Committee.

CHURCH OF CHRIST

The revival at the Cameron Church of Christ, with Harry Payne, evangelist from Austin doing the preaching, will continue throughout this week. You are cordially invited to attend each service.

Here is a summary of the sermon to be delivered this evening at 8:15 p. m.

Subject: Are Feelings an Evidence of Salvation?

Text Romans 8:12-17.

Some think and teach that people know they are saved by the way they feel. Feelings and sensations of the body are evidence of nothing except physical changes or mental states. Feelings in spiritual matters may be very deceptive. Notice how Saul persecuted the Church of the Lord in "all good conscience." (Acts 13:1) Pardon takes place in the mind of God (Isa. 55:7, 8)and my feelings do not indicate what is in His mind. He has promised to pardon us, provided we meet certain conditions laid down in His. word. Thus, full OBEDIENCE to the teachings of the New Testment is what counts. Read Rom. 8:16, and you will see that "Holy Spirit bears witness WITH our spirits that we are the children of God." Not TO our spirits—but WITH. Our testifying, then, must be in harmony with the spirit's testimony, which is revealed to us only through God's word in the sacred Scriptures. Read the words of the Spirit, obey them from the heart, then you can bear witness that you are a child of God.

GIRLS SOFTBALL LEAGUE LED BY STEDMAN TEAM

In the First game of the girls league in softball on Friday night the Stedman team led by Lucille Stedman moved into first place by winning from the Woodmen Circle 12 to 6.

The NYA girls led by the heavy hitting of the Gamble sisters and tight defensive work of all of the players, defeated Mrs. Mondrik's Horned Frogs 17 to 4. Helen Gamble hit a home run for the NYA team.

In the last game the Midgets managed by Nelta Dierr and Mary O'Neill barely nosed out the Cato girls to win by a score of 8 to 7. This game was one of the best girl games played to date.

This league has shown considerable improvement in play and many exciting games are in view for the future.

Mr. and Mrs. Lee Ray McAtee of Rosebud visited in Cameron Sunday.

NEWS FROM Bryant Station

In her talk to members of the Bryant Station Home Demonstration Club on Thursday afternoon, June 27, Miss Dorothy Porter, County Home Demonstration Agent, outlined the three main steps that are necessary to every refinishing process.

"Though a number of formulas are available for the removal of old finish, one pound of sal soda in one gallon of boiling water makes an inexpensive yet effective remover, she said."

The second step, "Preparation for the finish included repairing, sanding, applying wood filler where needed, etc."

"Many cheap pieces of furniture are of soft wood that has neither color nor grain—they should be painted."

"An old finish is best on plain furniture that has color and grain such as oak, walnut or cedar," Miss Porter said in her concluding remarks.

Visitors for the meeting were Mrs. Ida Newsom and Marie Vively. Delicious refreshments were served by the hostess, Mrs. L. H. Obermiller.

1935, 27.63.
1936, 26.73.
1937, 25.11.
1938, 24.21.

Together with penalties, interest, costs and expense which have accrued, or which may legally accrue thereon.

Plaintiff also seeks the establishment and foreclosure of the lien securing payment of such taxes as provided by law.

All interest, penalties, and costs allowed by law are included in said suit. Each party to said suit shall take notice of, and plead and answer to, all claims and pleadings now on file or hereafter filed in said cause by all other parties thereto.

Witness my hand and the seal of said Court at my office in Cameron, Texas, this the 25th day of May, A. D. 1940.

(Seal) PENN WOLF,
Clerk, District Court of Milam County, Texas. 2t

NOTICE TO THE PUBLIC

On account of so much rain we will have myriads of flies and mosquitos unless we begin at once to eradicate their breeding places. All vessels about the premises should be emptied, cisterns, stagnant pools and sloughs drained or oiled to prevent mosquitos. Hog pens, hen houses and cow lots kept as clean as possible to prevent flies. We are already having some malaria fever and will have a lot of sickness in Cameron unless the above instructions are carried out. The City is oiling and draining all large pools and will mow weeds on vacant lots. Every citizen should look after his premises diligently.

A. S. EPPERSON,
City Health Officer.

"Build-Up" Relief Explained to Women

A simple method has saved many women a lot of suffering!
It is based on the fact that headaches, nervousness, cramp-like pain are often symptoms of *functional dysmenorrhea* due to malnutrition.

Help for this condition so often follows the use of CARDUI, because it usually increases the appetite and the flow of gastric juice; thus aids digestion and helps build physical resistance. Usual result is *less* periodic distress.

Many who take CARDUI a few days before and during "the time" have found this helps ease periodic discomfort. ● Women have used CARDUI for more than 50 years!

Removal Notice!

We will be open for business on Monday, July 8 in our new location in the building formerly occupied by the Milam County Hardware Company.

Remember we carry a complete line of repairs and parts for McCormick-Deering farm implements and Farmall Tractors.

Check Those Gutters and Downspouts Before the Fall Rainy Season!

Leaky, rusty gutters and downspouts are an eyesore at any time . . . but they're especially noticeable in fall, which is usually accompanied by heavy rains. Why not have us examine your home's rains spouts and make all necessary repairs now, before hand? It will not only make your home look better but wear better as well. And you'll find the cost surprisingly reasonable!

GIRLS SOFTBALL TEAM RESUME PLAY TONIGHT

Tonight the girls softball team league will launch their second week of games, the first at 7 o'clock between the Stedman team and Woodmen Circle. At 8 o'clock the Horned Frogs will play the NYA girls and the Midgets and Cato's team play the last game at 9 o'clock.

Winners for last Friday night in the girls games are as follows: Stedman defeated the Midgets; Cato's team defeated the NYA girls and the Horned Frogs won from the Woodmen Circle.

In the church league Thursday night the Baptists beat the Christian-Presbyterian team 13 to 6. Dean White made a home run for the Christian-Presbyterian players and W. C. Wiese made the home run for the Baptists. The Catholics won the second game from the Methodist 7 to 5 with Ted Matula making a home run for them. A home run for the Methodist was made by Joe McLean.

WAR

Along the Bulgarian and Hungarian borders fighting was reported already in progress with Rumania as well as the Reds.

Russia has seized strategic points in the mouth of the Danube River and this is taken to indicate a thrust at Germany, but the development may be only a precautionary move in case Russia should encounter opposition from Bulgaria and other Countries bordering on the Black Sea.

Fighting between Hungarian and Russian troops was taken to indicate a serious turn in the Balkan situation.

Russia is believed also to be pressing Turkey for strategic positions in the Dardenelles. Whether the Soviet Union had asked Turkey for partnership in the control of the strategic waterway to the Black Sea was not confirmed.

On the whole the new war in South Eastern Europe appeared to be a joint effort on the part of the three dictators, Hitler, Mussolini and Stalin to wipe out Rumania as a punishment for having concluded an alliance with a Democracy and when the Balkans have been taken over Turkey would follow in line for conquest. This would also be punishment against Turkey for having had an alliance with England and France.

"Build-Up" Important Protector of Women

A weak, undernourished condition often enables *functional dysmenorrhea* to get a foothold; thus leads to much of woman's suffering from headaches, nervousness, and other periodic discomfort.

CARDUI'S principal help for such distress comes from the way it usually stimulates appetite; increases flow of gastric juice; thus aids digestion; helps build energy, strength, physical resistance to periodic pain for many.

Another way, many women find help for periodic distress: Take CARDUI a few days before and during "the time." Women have used CARDUI for more than 50 years!

A. B. DUNN NAMED SUPPERINTENDENT OF SHARPE SCHOOLS

A. B. Dunn, principal at Buckner's Orphan Home in Dallas for several years, has been elected superintendent of the Sharpe public school.

All teachers were re-elected for another term except for Everett Clement, a graduate of Sam Houston College, who has been elected vocational agricultural teacher.

The school destroyed by fire last August immediately after completion, is now under repair and will be ready to open in September.

Speaking Dates Are Cancelled; Buckholts Friday Night

Speaking dates for Candidates under the direction of the Executive Committee have been canceled on account of weather conditions.

The regular schedule will be picked up again Friday night when the candidates speak at Buckholts.

The largest gathering of the current campaign was at Marek on last Thursday night. The first speaking date to he held there in recent years, the people were given a warm welcome by John Marek, Sr., who made a splendid address. All plates were sold and the crowd was up to expectation in every way.

At Davilla on Friday night the meeting was rained out.

When the rain began falling the crowd moved inside. Nothing could be heard and the loud speaker was without avail as the folks continued to mill around and talk, keeping up a noise that drowned out all efforts by the Chairman to restore order.

Finally the speaking was begun but no one could hear what the candidates were saying. Joe Cummings, auctioneer for the cakes, could hardly be heard.

After several divisions of the candidates had spoken inside the gymnasium the speaking equipment was moved outside again where candidates for local offices were again permited to speak. Candidates for Treasurer and for District Clerk then followed. Sheriff Kennedy and Valter White spoke next and then Chairman Henderson called for candidates for County Superintendent. Hinton Pruett, the first to speak succeeded in getting only one cord of wood chopped in relating early day struggles, when rain drove the crowd inside.

Chairman Henderson who made a good job of a bad situation, said that the speaking would be held there again soon.

The speaking scheduled for Jones Prairie on Monday night was canceled on account of a revival meeting in the community.

It was planned to hold the meeting at Vogelsang but due to weather conditions the speaking could not be held there.

The crowds and the candidates will go to Buckholts Friday night. The community bids all a warm welcome to Buckholts Friday night.

BRIDE-TO-BE GIVEN BREAKFAST HERE

In honor of her approaching marriage to Cooper Wiese, on July 3, Miss Frances Anderson of Calvert was the honoree of a breakfast at Cato's Coffee Shop on Thursday morning. Mrs. W. C. Wiese, sister in law of Cooper Wiese, gave the breakfast. Rice wrapped in blue organdy bags tied with pink satin ribbon were the plate favors.

The guests were: Mrs. W. C. Anderson, mother of the bride to be, Mrs. Fred Smith, Mrs. Jack Guines, Mrs. W. C. Wiese, Sr., mother of the groom to be, Mrs. Louis Tindall, Mrs. Pete Gibson, Mrs. Earl White and Mary Helen Guines, all of Calvert; Ruth Simms of Rockdale, Mary Bess Wiese of Waco, and Mrs. Richard Bush and Mrs. Vernon Collins of Cameron.

Winners in the bridge games were as follows: Mrs. Louis Tindall who won high and received a handpainted picture and second high won by Mary Helen Guines who received a vase. They in turn presented their winnings to the bride.

AXIS POWERS MAY STOP BALKAN WAR

Fear that Germany might capture Ireland and use the country as a base for operations against England caused a sensation in the Isles Tuesday.

So grave was the fear of a Nazis stroke at England through Ireland some quarters disclosed it had been advocated that the British take precautions similar to those Germany took in Denmark.

George Benard Shaw, noted playright, said that Ireland was in imminent danger and urged the British to act at once, at least to negotiate for defense measures to be taken in that country.

Germany and Italy were reported trying desperately to stave off a war in the Balkans.

Gemany was said to be sending planes, anti-aircraft guns and supplies into Rumania. Whether there was a smoke screen or a serious attempt to aid Rumania was not made clear.

Until such time as developments justify there is no reason to fear a war in the Balkans or any branch between Stalin and Hitler.

German air raids on the British Isles were becoming more frequent and more severe. Last night four children and two women were killed.

Italy and Britain exchanged blows in Africa but on the whole the war had simmered down to a point where peace might follow quickly if England can obtain a reasonable settlement with Germany.

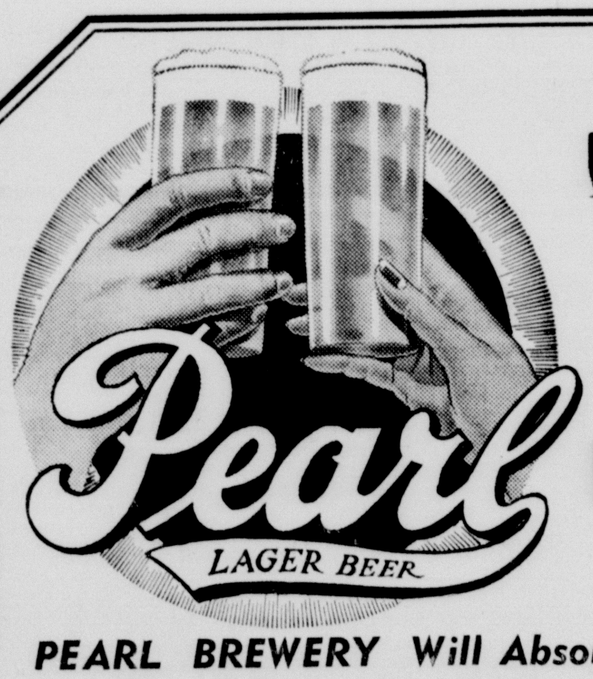
MILAM COUNTY CITIZENS ASK MATTRESS AID

Approximately 1,900 applications for cotton to make mattresses under the government's program for persons whose gross income does not exceed $500 per year have been approved in Milam county and on Wednesday 50 bales were received for this work.

A 500 pound bale will make about 10 mattresses, and places to begin the work will be announced next week. The cotton is not given to any one to make a mattress except at designated places supervised by government representatives.



No Increase In PRICE of Pearl Beer!

PEARL BREWERY Will Absorb the One Dollar Per Barrel Extra For National Defense Tax!

—So There Will Be No EXTRA COST to YOU!

Added taxes for the National Defense have been enacted into Law. These include a tax of ONE DOLLAR A BARREL on the production of beer, a cost which could legitimately be passed on to you, and may be by some, in the form of higher prices for the beer you drink.

Considering it not a harsh duty, but a high privilege, the Pearl Brewery will, however, completely absorb its share of the National Defense Costs, bringing you the same fine quality beer at the same price to the dealer and the same price to you.

This means nearly a quarter million dollars more the Pearl Brewery will pay in added taxes a year — 20% in addition to its present assessment — paid gladly to help meet a national emergency.

Naturally, in doing this we hope you will appreciate the sincerity of this gesture — and show your appreciation by sticking to or switching to Texas' Own PEARL Beer. By doing so, you can, in part, help us absorb the cost of this added tax. When thirst calls, for more beverage pleasure at no extra cost, say, "Bottle of PEARL, please"!

THE FERGUSONS KNOW HOW

The Fergusons and The Tennant Farmer

Farmer Jim Ferguson is the first Governor of the State to make a plea in behalf of the tenant farmers of Texas. It was his concern over the plight of these forgotten men of the soil which drew him from the ranks of private citizens many years ago and established him as a leader among the Agricultural classes.

Legislation for the protection of the tenant farmer against the oppression of excessive rents and for Federal and State loans at a low rate of interest has been vigorously advocated by Farmer Jim during his entire public career.

As evidence of the soundness of the Ferguson program for the tenant farmer, the Federal Government has now approved the plan to lend money to tenant farmers to buy homes on a long time basis with a low rate of interest. As a result 75 million dollars has been made available to tenant farmers on easy terms.

When Miriam A. Ferguson is again elected Governor of Texas, the National Congress will look upon Texas as a Commonwealth which has led the way to long needed reform and National wealth will be used to make us a Nation of home owners and the industrious tenant farmer will again come into his own.

Fergusons Won't Deny Milk to Insane Patients

Bread and milk have always been regarded as the basic food that sustains human life. With a loaf of bread and a bottle of milk, no one need strave to death.

Our present governor apparently agrees that bread is the staff of life, because he never overlooks a chance to advertise flour. He seems to regard milk, however, as a minor and unnecessary commodity.

When the last legislature appropriated $12,000 to build and equip barns and purchase dairy cattle for the San Antonio State Hospital in order that insane patients might have nourishing milk, the governor promptly vetoed the item. When the legislature appropriated $16,000 for the same purpose to be used at the Terrell State Hospital for the insane, his veto axe fell again.

This is the same governor who is broadcasting over the radio and through his private newspaper that the legislature prevented him from keeping his promise to the poor unfortunates of the State.

The Fergusons promise not to veto any appropriation which the legislature, in its wisdom, may see fit to pass for the alleviation of suffering among our insane.

Harmony Instead of Hatred is the Fergusons Promise

Unless the Governor posses sufficient wisdom and diplomacy to command respect of the legislature, it is useless to hope that any constructive program can be carried out.

No purpose is served and the people are not benefitted when vicious attacks are made in members of that body in order that an alibi may be established.

Repeated charges against the politicial integrity of our lawmakers destroys all hope of future harmony and prevents any possibility of securing much needed legislation.

After all, the final responsibility rests with those elected to make our laws and any one who refuses to recognize, or is ignorant of, this fundamental fact is totally unfit for the office of Governor.

The Fergusons past record for harmony is the surest guarantee of their future relations with the legislature.

The Ferguson Platform Stands for

Third term for President Roosevelt.

Gross receipts tax of one-half of one per cent on receipts from sales and business which will yield fifty million dollars annually to carry out social security program for helpless blind, dependent children, teacher retirement fund and old age pensions.

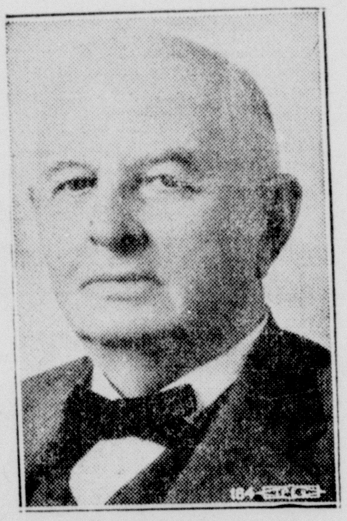
Reduction of current expenses of State government twenty five million dollars.

Investigation of vicious practice of business interests in refusing employment to persons forty five years of age and over.

Reasonable demands of organized labor.

State and National aid to tenant farmers on liberal advances at low rate of interest.

Liberal appropriations for common schools and higher institutions of learning.



The Fergusons and National Defense

Very few people are discussing politics. Every one is talking war. This is as it should be for the first qualification of good citizenship is patriotic love for the Nation and the red-blooded desire to defend it. Governors may come and governors may go but the first instinct of every true American will always be to preserve National safety at any cost.

However, we must soon face the duty of electing a governor and a legislature to serve during the two stormy years just ahead. When a hurricane strikes, only an experienced pilot can guide a vessel safely to shore. In the dark days before us, only seasoned leaders should be placed at the helm. This is a vital and necessary part of National defense.

Serving as a war governor is not a new experience for the Fergusons; it will only be a repetition of similar service rendered during the first world war, if we are forced into another contest.

With the help of President Roosevelt they ministered to the needs and suffering of the unemployed in time of peace; by his side they will meet the problems and the dangers that arise in time of war.

The Fergusons have been weighed in the balance and not found wanting. They have stood the test; they have kept the faith.

Candidates for Legislature Spar For Opening

By THE DUMB REPORTER

The Legislative division of the 1940 Milam County candidates is a cross section of interest.

Members of the Legislature, the session that failed to pay the old age pension, is coming in for a great deal of criticism. There is also the added grudge that it stayed in session too long and became the most expensive session in history.

In the 1938 primaries the pledge was $30 for everyone over 65 regardless of circumstance. Not only did the Legislature fail to pay the $30 but about 125,000 eligible old folks never got within anything like close range of the treasury. Not only did they fail to get on, those who had been receiving pensions were cut $5 reducing some to $1 and many thousands in the less fortunate brackets were entirely swept from the rolls.

The common citizen has taken a lot of punishment, but seems to like it. His gullibility passeth all understanding.

In 1938 when W. Lee O'Daniel furnished free standing room on his coat tail, the intake was large. What the neophites did not know was they were making too many tracks. It was anything to get elected. Now the cry seems to be "Me no Goliad," and "Me no Alamo."

As we were saying its all in the campaign but the candidates for the Legislature represent a cross section of interest. None of them so far has picked up any of the numerous clubs laying around. They seem frightened. The lobby has been cussed, the utilities damned and the special interests blamed for all the evils. The state's most collossal crimes have been commited in the name of denunciation such as this.

Fred Jackson brought up a platform circular issued two years ago by Reese Turner, present incumbent. Reese said he could pay the pension out of savings in expense of the government. He was sincere no doubt but still a little wet behind the ears. Fred wants to raise the truck load limit. That's old stuff but mighty important to a lot of people in Texas. The railroad lobby has always managed to take the temper out of freshlings who go down with an armful of good ideas for the "dear peepul."

J. P. (Spud) Sparks sounds statesmanlike when he discusses his platform. He wants a natural resource tax and also calls for a change to increase truck load limits within safety.

As we were saying, its all very tame. They are in the center of the ring, all sparring for an opening. Some of the boys in the back secetion are booing a little. It may come any moment now.

CHURCH OF CHRIST

Sermon delivered at Cameron Church of Christ Thursday evening. June 27, at 8 o'clock.

Subject: The Great Contest of Life.

Text: Hebrews 12:1-2.

The greatest contest in life is the RACE against the powers of evil and against the leader of all evil forces, even Satan. Christians are commanded: "So run you may obtain" the crown of righteousness.

First, one must enter the race course (the church) according to rules of entrance (Rom. 10:17; Acts 16:31; Acts 3:19; Acts; 22:16.) This places one in the right place to RUN. Then the running must be done according to regulations (as shown in instructions to Christians in the New Testamen—Romans through Jude.)

Various excuses offered by pretended runners will not be accepted, for the "great cloud of witnesses" (the worthiest of both Old and New Testaments) will rise up and show us that it IS POSSIBLE to live and run faithfully. Let us make no excuse, no delay. Begin the race now and run faithfully until the end (Rev. 3:10.)

Harry Payne, Evangelist.

Mrs. I. E. Krause and Mrs. Egon Vogelsang of Burlington shopped in Cameron Saturday.

FIGHT OR GET OUT IS DEFY OF NIPPON

Japan served notice on the United States and Great Britin Monday that she considers the time opportune to realize upon her opportunities to make territorial grabs in the Far East and to establish a Monroe Doctrine in that Hemisphere.

The statement came through semi-official cources and followed a confenence between military leaders of Japan.

The Japanese according to the statement have concluded that the time is at hand for an advantageous expansion because England is involved in war with Germany and the United States.. being a Democracy is unable to defend itself.

The United States fleet which left Hawaii early last week and reported to be steaming toward the Panama Canal Zone suddenly re-appeared in Pearl Harbor. This action was described as purely a routine manoover but is was believed that the fleet had returned due to developments in the Far East.

The United States government has repeatedly told Japan that this country will not recognize any territorial grab or any change in the satus quo of the Far Eastern possessions of any of the beligerent powers. This is taken to indicate that the United States might consider using force to prevent occupation of the Dutch East Indies and French-Indo China.

Any aggressive action on the part of Japan would be considered a menace to the United States and the Phillippine Islands and also to American trade in the Far East.

There was little to indicate clarity in the Balkans. News agencies and diplomats were attempting to make it appear that war between Germany and Russia is imminent. The Daily Herald feels that there is much to justify the conclusion that the dictators are operating jointly.

It now appears that Rumania is to be completely wiped out or reduced to conform to its Pre-World War area.

CANTALOUPE SEASON SUCCESS IN MILAM

Although the watermelon crop is two weeks late for Milam county, the cantaloupe growers in the Cameron trade territory have done well this year with their crops.

At least 7,000 bushels have been sold in this area and trucks from other parts of the state and some out of state points have also transported cantaloupes from this area.

Some growers have sold as many as 2,000 bushels with prices from 50 to 85 cents per bushel.

Mary Louise LaCook, former resident of Cameron, and a friend are visiting friends in Cameron. Miss LaCooke is now living in Austin.

RUSSIA MARCHES INTO RUMANIAN TERRITORY

Russian Soldiers Friday marched into the territory of Bessarabia a part of Rumania since the treaty of Versailles ending the first world war.

This was about all the war news for the day.

The looked for blitzkreig against England has not yet taken place.

Rumania did not resist the Russian invasion.

In Washington President Roosevelt would make no comment on the secret sailing of the United States fleet from the base at Hawaii.

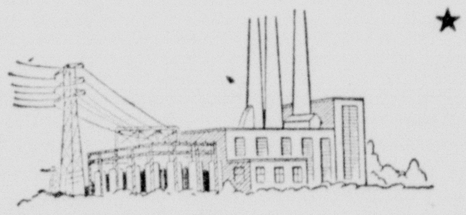
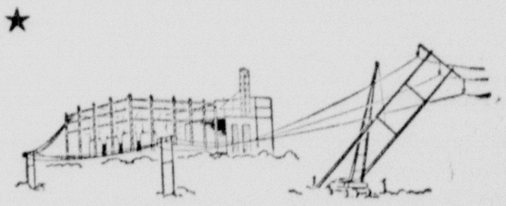
PREPARED FOR NATIONAL DEFENSE

Texas Power & Light Company has accepted and is prepared to meet its full responsibilities with respect to the National Defense Program. It has given careful attention to methods and procedures of cooperation and coordination and is ready to work effectively with agencies of Government as well as the industrial and commercial enterprises in the widespread territory it serves.



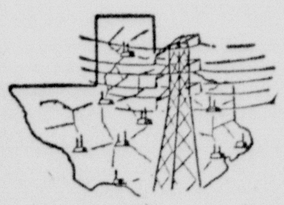
Ready to Serve . . .

Texas Power & Light Company has ready and available more than 145,000 horsepower in generating capacity from its own power plants, plus large additional amounts of electric generating capacity specifically reserved to its needs through long-term contracts with other power sources.



Ready to Expand . . .

Texas Power & Light Company is ready with financial resources at its command to undertake whatever new construction or expansions of its facilities may be needed in the execution of an adequate National Defense Program.



Dependability of Service

Texas Power & Light Company has a network of 1,900 miles of high-voltage transmission lines, and 7,500 miles of distribution lines constantly maintained to provide dependable service. Dependability of service is further assured through interconnection with the transmission lines of other power companies.

The Will to Cooperate

The data and specialized information compiled by the Company with respect to natural resources and industrial possibilities is available to the Government and to the industries in the area served. The Company places behind our National Defense Program the full measure of its resources in power plants, transmission lines, distribution system and man power, and is ready to do its part of the big job ahead promptly, smoothly, efficiently.

A Trained Organization . . .

The officers, department heads, managers and key employees have been with the Company for an average of almost twenty years. Many employees now holding important positions were working for the Company during the first World War, and, thus, are well equipped to serve today's needs because of actual experience in public utility operation during war time emergency.

Our station is open at 5 a. m. and will remain open until 11 p. m. each day and deliveries will be made at all times between these hours.

On Thursday June 27th we will have completed our 11th year in the business.

When we opened this Ice Station ice was selling at a much higher price. We have lowered the price of ice to you and have given you the best service in the history of the business.

Now we announce a further service with longer hours for your accommondation.

NEWS FROM MILANO

A heavy and general rain fell in the Milano Community Saturday and part of Sunday, but it fell slow and continuously all day Saturday doing damage to tomatoes and washing out dirt roads.

The revival that has been in progress at the Baptist church closed with several members added to the church roll.

Mrs. Bessie Brennan, Nick and Mrs. Baggett spent Thursday in Chriesman visiting Mrs. A. M. Hill who has been ill but is recovering now.

A political rally will be held at Milano on July 9th and all candidates are invited and will be given a chance to speak. Also a plate lunch will be served, proceeds to go to the cemetery association.

Mr. and Mrs. Britt Hensley and baby of Sulphur Springs and Mrs. Calvin Boedeker of Chriesman were guests here last week in the home of their parents, Mr. and Mrs. Will Hensley.

Mr. and Mrs. W. H. Taylor and baby were visiting in Houston last week.

Miss Morine Jackson of Rockdale visited her parents here last week, Mr. and Mrs. Clyde Jackson.

Miss Joy Shaw has returned to her home in Gaues after a week's visit here in the home of Miss Lila Thomas.

Mrs. W. J. Willingham and Miss Vivian Westbrook have been on an extended visit with Mr. and Mrs. Kermit Grabener in Lufkin. Mrs. Willingham has returned home but Miss Westbrook remained over for a longer visit.

Mr. and Mrs. Weldon Bailey were visitors recently in the home of Mr. and Mrs. J. A. Baggett. Mrs. Bailey will be remembered as Miss Marjorie Elam.

Mrs. Alton Baggett of Dallas spent the week end here with her parents, Mr. and Mrs. Horace White.

Week end visitors in the home of Mr. and Mrs. W. J. Willingham were Mrs. Kermit Grabener of Lufkin, Mrs. Eduard Smith of Franklin, Mrs. Fred Reno of Cameron, Mr. and Mrs. and Mrs. E. C. Westbrook and children of Milano.

CHRISTIAN SCIENCE SERVICES

"God" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, July 7.

The Golden Text is: "Blessing, and glory, and wisdom, and thanksgiving, and honour, and power, and might, be unto our God for ever and ever. Amen" (Revelation 7:12.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Who shall ascend into the hill of the Lord? or who shall stand in his holy place? He that hath clean hands, and a pure heart . . . He shall receive the blessing from the Lord, and righteousness from the God of his salvation" (Psalms 24:3, 4, 5.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: " God's being is infinity, freedom, harmony, and boundless bliss. "Where the Spirit of the Lord is, there is liberty.' Like the archpriests of yore, man is free 'to enter into the holiest,' —the realm of God" (page 481.

A CLOCK DURING A THUNDERSTORM

There is one thing that Robert Louis Stevenson wrote that has stood out in my memory above all others. It is this: "Quiet minds cannot be perplexed or frightened but go on in fortune or misfortune at their own private pace, like a clock during a thunderstorm."

Lincoln hodling his course during the trying days of the Civil War, Washington at Valley Forge; Elbert and Alice Hubbard calmly facing death on the Lusitania; Nathan Hale; Christ before the mob—quiet minds all.

The man who can say, with Walt Whitman, "Nothing external to me can have any power over me;" the man who knows that, as the pholisopher Seneca said, "Most powerful is he who has himself in his power," that type of man has a quiet mind. He moves forward "as tranquilly as a chip on a placid stream." He plows ahead like a steamer, rough or smooth, rain or shine.

Is there any finer illustration of perfect poise than a clock during a

GARDEN PARTY GIVEN MISS BILLIE LENTZ

On Wednesday of last week, the Milam County Public Health and Welfare Board honored Miss Billie Lentz with a garden party at the home of Mrs. H. F. Smith, Jr. After a social hour, Miss Lentz whose marriage to Ray Burke, Jr., will take place on August 1st, was the recipient of many useful and attractive gifts presented to her by individual members of the Board in recognition of her faithful and loving service as Public Helth Nurse for Milam County.

The refreshments and decorations of the tea table favored a green and white color scheme. The table was laid with a white cloth and centered with a large crystal foliage. These were also arranged in trailing design to the four corners of the table.

Mrs. Stanley Swift presided at the crystal punch bown at one end of the table; at the other, Mrs. Wm. Hefley served the bride's cake. Mrs George Childress, Jr., also assisted Mrs. Smith in giving out the tea dainties.

Mrs. J. P. Love, president of the Board, held a brief business meeting relative to summer work, at the conclusion of the affair.

B. F. Talley of Bryant Station was a business visitor in Cameron Tuesday.

Wake Lazy Insides All-Vegetable Way

Thousands turn to this way to get relief when they're lazy intestinally and it has them headachy, bilious, irritable, listless: A quarter to a half-teaspoonful of spicy, aromatic, *all-vegetable* BLACK-DRAUGHT on your tongue tonight, a drink of water, and there you are! Thus, it usually allows time for a night's rest; acts gently, thoroughly next morning, so relieving constipation's headaches, biliousness, bad breath.

BLACK-DRAUGHT'S main ingredient is an "intestinal tonic-laxative," which helps impart tone to lazy bowel muscles. The millions of packages used prove its merit. Economical, too: 25 to 40 doses, 25c.
